

**FORM 'H'**  
[Clause 23(1)(b)]

**APPLICATION FOR GRANT OF PERMISSION TO SELL  
NON-STANDARD FERTILISERS**

**To**

The Registering Authority  
State of .....

- (1) Full name and address of the applicant:
- (2) The name of fertilizers in which the applicant has been authorised to carry on business
- (3) number and date of registration certificate granted in favour of the applicant
- (4) The particulars of non-standard fertilizers which are intended to be sold
  - (i) Name of the fertilizer:
  - (ii) The source from which the fertilizers were originally purchased and the period during which they have been held by the applicant.
  - (iii) Brief reasons leading to the material having become non-standard.
  - (iv) The chemical specifications as analyzed by an authorized chemical laboratory:
  - (v) Name and appearance of the non-standard fertilizers.

Note : Chemical analysis to be indicated shall be one which has been certified by an authorized chemical laboratory on the basis of the samples drawn, sealed and despatched in the presence of the local Inspector of Fertilizers or anybody authorized to inspect the fertilizers.

I enclose a copy of the certificate of registration for dealing in fertilizers already granted to me and I have deposited the prescribed fee for permission to sell non-standard fertilizers.

I certify, that I will comply with the requirements of sub-clause (a) of clause 23 of the Fertilizer (Control) Order, 1985 which required that each container of non-standard fertilizers is to be conspicuously superscribed with the words "Non-standard" and also with the sign 'X' both in red colour.
