Memo No.: Admn/292/2356

Dated: 14.05.2015

**Subject: Hosting and Domain Name Standardization for Government Websites.**

Kindly refer to this office letter No. Admn/292/Vol-II/791 dated 24.09.2013 on the above subject.

2. I am directed to reiterate that the Websites of Government and Government owned/ controlled bodies are to be hosted only on the servers and data centers located within India. This is a mandatory requirement to ensure the applicability of relevant Indian Laws and compliance with relevant central Government instructions.
3. Further, in order to maintain uniformity across the State, as well as ensure domain name registry jurisdiction, it has already been decided and conveyed through above referred letter that Government Departments/ organizations should use the following domain name suffixes for their websites and applications:

Apex Bodies (Vidhan Sabha), Government Departments, and Commissions	.gov.in
State PSUs, (Boards, Corporations and Undertakings) and Statutory Authorities	.org.in
Universities, Government controlled Educational, Academic and Research Institutions	.edu.in, or .ac.in

4. Department of Electronics & Information Technology (DeitY), Govt. of India had issued an order stating National Informatics Centre (NIC) as the authorized registrar for the domain zone GOV.IN for registering domain names under Government Departments/ Ministries/ States and Union Territories. NIC has been issuing GOV.IN based on internal guidelines, however some shortcomings and concerns have been noticed w.r.t the issue of GOV.IN guidelines considering the fact that GOV.IN provides legitimacy to the domain as a Government organization, it is felt that there is a need to clearly spell out the eligibility of organization which would be entitled to "GOV.IN" domain.

5. Accordingly, DeitY, Govt. vide their letter No. F.No.L-13/14/2014-IGD dated 06.04.2015 had issued the new following guidelines/ eligibility for allocation/ securing registration under GOV.IN domain:

- I. Apex Offices (such as Offices of the Hon'ble President of India, Hon'ble Prime Minister of India).

- 5.2 Individual Person's name based domain shall be ineligible for registration under "GOV.IN"
- 5.3 Educational Institutions, Research and Academic Institutions, which otherwise eligible for registration under "GOV.IN" are recommended to apply for EDU.IN, RES.IN and AC.IN domains.
