**Subject :- Instructions relating to Model Code of Conduct 5.10.5 checking distribution of cash by candidates/ political parties alongwith disbursement of wages under any Government scheme.**

\*\*\*\*\*

Sir/Madam,

I am directed to refer to the subject noted above and draw your kind attention to the instruction relating to Model Code of Conduct 5.10.5 reproduced below:-

“Checking distribution of cash by candidates/ political parties alongwith disbursement of wages under any Government scheme. Representations were received in the Election Commission alleging that money was being given on the eve of the elections by political parties/candidates to workers over and above the wages due under the Govt. Schemes like Rural Employment Scheme, and various other schemes of Government to influence the voters. It is to be noted that while poor people are not put to hardship due to the Model Code of Conduct, the disbursement of any cash by political parties/candidates in addition to wages to which the workers are entitled under the Scheme, is not permissible. This is a corrupt practice and an electoral offence. The District Election Officers should monitor the disbursement of wages and other benefits under Government schemes so as to ensure that there is no payment of cash or gift article by any candidate/political party along with the wages under the Scheme. It is also noticed that the cash benefits (both arrears and advance amount) under the Government schemes are disbursed on the eve of elections, to bring influence on the electors. It will be the responsibility of DEOs to ensure that no such arrear or advance is disbursed within 72 hours of the day of poll”.

2. It may be ensured that directions of the Election Commission of India are complied with strictly.

Yours faithfully,

Jamaal Hussain  
Superintendent Election.
